Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).

Estimated costs are not available in all markets or for all services. We provide an estimate for the amount you would owe for a particular service based on your plan at that very point in time. It is not a guarantee. Actual costs may differ from an estimate for various reasons including claims processing times for other services, providers joining or leaving our network or changes to your plan. Health maintenance organization (HMO) members can only get estimated costs for doctor and outpatient facility services.
